Subject: Site Access Hearing, Federal Court, March 4, 1994

On February 11, 1994 Beth <sup>Davis</sup>Winstead, EPA called to inform us that a hearing would be taking place concerning site access problems with Ellis Saad. Wilda Cobb, EPA attorney, also called on this date to give details of the hearing and to welcome State representation if desired. The hearing will be March 4, 1994 at 1:00 PM in Federal Court resided by Judge Eckel. EPA will be here March 3 and may be reached through the US Attorneys office, Bob Watson, at 615/736-5151. Ms. Cobb's EPA number if we wish to contact her prior to that date is 404/347-2641 ext. 2277. I told her that thus far we did not have an attorney involved with this site but that we may elect to have someone from our Enforcement Section there to observe the activities and outcome.
